# Naman Kumar Pandey

A LEARNER

## SUMMARY

To secure a challenging position in a reputable organization to expand my learnings, knowledge and skills. Secure a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company.

## PROJECTS

### **Hosteller:**

In this project an attempt is to made to design a web application for the "Hostel Review" that makes the process of finding a hostel for a student in an ease manner.

The Objective of this application is to maintain the details of the hostels that can be both from the hotel owner and the students and Provide them an interface where they can interact.
